PARRILLA PICKS

Bodega Los Haroldos, owned by the Falasco family, is one of Argentina's leading family-owned wineries. Today the fourth generation continues the story that began in 1939 when Haroldo Santos Falasco, known as 'Don Lolo', began to wheel his bicycle through the streets of his small hometown of Chacabuco, 200km west of Bueno Aires, selling his wines from the basket on the front. Eighty years later the Falasco family continue to create wines of excellence and quality for the world to enjoy.
